The use of the name of a class of Mustard Seed in certifying to a grade shall not imply any guarantee as to the varietal purity of that class. Assignment of mustard seed to any of the above grades shall not imply any guarantee with respect to content of other seeds that blend with mustard seed. Dockage shall be assessed on Domestic Mustard Seed for foreign material, that is readily separated from the mass by ordinary mechanical cleaning methods, including any small whole or broken mustard seeds that are removed along with such foreign material, expressed as a percentage by weight of the whole; except that a reasonable allowance may be made for broken mustard seeds not to be assessed as dockage in commercially clean mustard seed when this can be attributed to attrition in the normal handling after cleaning.
